

To Search the Online Catalogue

The Library online catalogue allows you to search for any book or other item that you want. You may search using Author, Title, General Keyword, Series etc. It will tell you if the book is in stock; checked in or out; how many copies we have and where the item is; whether that be Carlow, Tullow, Borris or Muine Bheag for example.

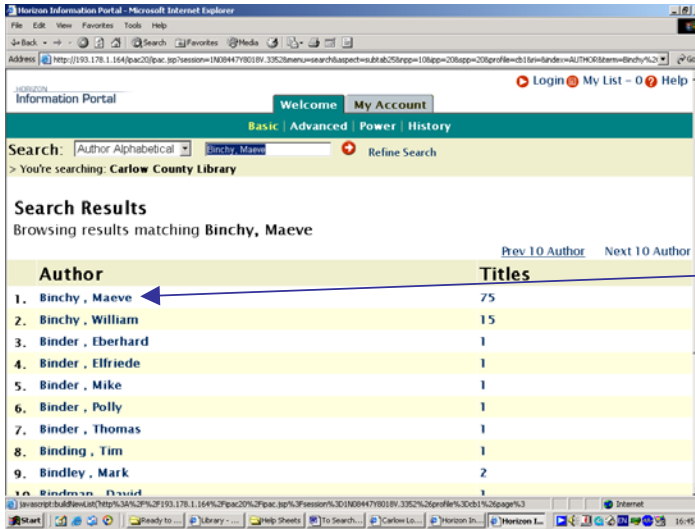

To start, enter www.carlowlibraries.ie website, and click on the Library Catalogue link on the right-hand side of the page.

This screen appears...

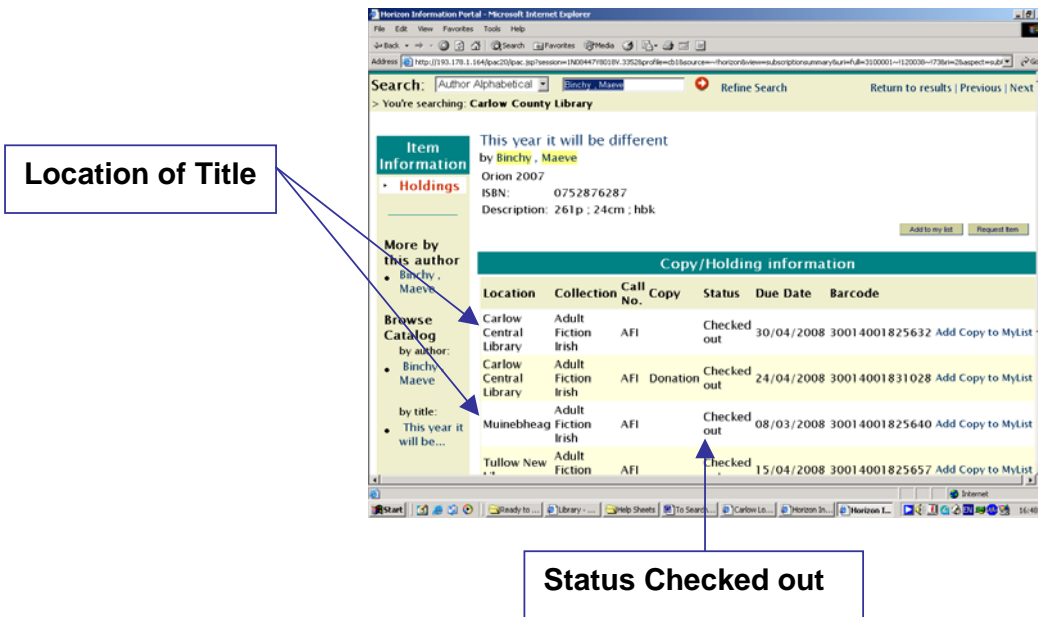

When using the Author search put surname first, then enter first name if known.

List of results appears click on the one required. eg Binchy, Maeve

This brings up a list of titles written by the author. Then click on the title you wish to view. e.g. This year it will be different. It brings up a list of where the title is located and shows if its in stock, checked out, on hold etc.

Location of Title

Status Checked out
